Save The Rhino

When buying Rhino Exercise Books you are helping halt the twin threats of poaching and habitat loss.

Rhino Stationery have been supporting Save the Rhino for more than a decade as a Dedicated Partner and to date have raised over £100,000 towards the conservation of Rhinos.

To find out more visit about Save The Rhino International and exciting ways you can get involved visit

www.savetherhino.org

Rhino Stationery has donated over
£100,000 to Save the Rhino International
(UK registered charity 1035072) since 2006

Maths Exercise Books

One page squared, one page blank!

Developing representation in mathematics to support deep conceptual understanding is a crucial aspect of learning. Pictorial representations are a key part of this.

These pupil exercise books have been created in conjunction with the Herts for Learning Mathematics Team. They provide space for pupils to develop their pictures, diagrams, jottings and formal methods alongside each other. This will support pupils to strengthen the connections between the various representations.
